Selected Bibliography: Sugar Cane Resources—Queensland & International

Formats: A= Video, film, filmstrip. B= Book. C= Catalogue. CD= CD-ROM. F= Fiche. M= Magazine. P= Pamphlet. R= Reference. V= Vertical file (loose/stapled). Y= Map.

A C Kalmbach Memorial Library Staff [Eds] (2003). **Maple Leaf 2003: The Clinics at Toronto NMRA Convention**. Chattanooga, TN: NMRA.

Selection of clinic notes from the 2003 NMRA National Convention. Includes Parsons, Stan, 'Sugar: A Sweet Industry for your Pike', pp 238-249. Format: B, 336 p.

ABC TV (1992). **B&W Cane Harvesting Footage**. Brisbane, QLD: ABC TV.

Material from the ABC TV Archives on cane harvesting; restricted circulation. \$100. Format: A,

AFFC/Look Television (1998). **Railway Adventures across Australia: 1 Touching the Pacific**. Surrey Hills, NSW: Reader's Digest.

1 Touching the Pacific: Queensland tropical north to Sydney incl Kuranda, Mossman Mill sugar cane, Orient luxury train, Spirit of the Outback, Mary Valley, Hunter Valley, Zig Zag (Blue Mountains), etc. Based on TV series. Format: A PAL, 62 min.

Alcorn, Berenis and Dunn, Robin (1997). **Moreton Sugar Mill: Sweet heart of Nambour**. Maroochydore and Nambour: Berenis Alcorn and Robin Dunn.

Published at the time of the Moreton Mill centenary, this book details the history of sugar growing and milling in the Nambour area. Cane tram operations include Shay photo. Format: B, 238 p.

American Sugar Cane League (c 2002). **The Louisiana Sugar Industry**. Thibadoux, LA: American Sugar Cane League.

Pamphlet with short history, map and Louisiana sugarcane statistics. Download from www.amscl.org. Format: , np.

AMRA (Qld) (1996). **Railways of Queensland: an album of... Vol 1**. Zillmere, Qld: Australian Model Railway Association Queensland Branch Inc.

Half page, primarily B&W photos, with captions. Reviews suggest some errors, errata included. Of particular interest are several cane railway photos. Format: B, np.

AMRA (Qld) (1997). **Railways of Queensland: an album of... Vol 2**. Zillmere, Qld: Australian Model Railway Association Queensland Branch Inc.

Half page, primarily B&W photos, with captions, errata included. Of particular interest are several cane railway photos. Format: B, np.

AMRA (Qld) (1998). **Railways of Queensland: an album of... Vol 3**. Zillmere, Qld: Australian Model Railway Association Queensland Branch Inc.

Half page, primarily B&W photos, with captions. Of particular interest are two cane railway photos. Format: B, np.

AMRA (Qld) (1999). **Railways of Queensland: an album of... Vol 4**. Zillmere, Qld: Australian Model Railway Association Queensland Branch Inc.

Half page, primarily B&W photos, with captions. Cover has cane railway lift bridge (Moreton Mill), etc. Format: B, 48 p.

AMRA (Qld) (2001). **Railways of Queensland: an album of... Vol 5**. Zillmere, Qld: Australian Model Railway Association Queensland Branch Inc.

Half page, primarily B&W photos, with captions. Of particular interest are several cane railway photos, including Macknade Mill's Hudswell Clarke, Qunabe Mill's John Fowler, dual gauge at Marian Mill and a Bingera Mill Malcolm Moore modified for grass cutting duties. Format: B, 48 p.

AMRA (Qld) (2003). **Railways of Queensland: an album of... Vol 6**. Zillmere, Qld: Australian Model Railway Association Queensland Branch Inc.

Half page, primarily colour photos, with captions. Of particular interest are several cane railway photos, including QR steam at Bingera Mill, 0-6-0T Moreton with a wholesstick load, Aramac Shire Tramway's Comeng (and later as Morton Mill's Dunethin), Malcolm Moore locos with wholesstick trucks, bulk sugar train, and several molasses wagons. Format: B, 48 p.

Armstrong, John and Verhoeven, G H (2000). **The Innisfail Tramway: The history and development of the Geraldton Shire Tramway and the Mourilyan Harbour Tramway**. Melbourne: LRRSA.

Revision of 1973 publication describing the 2' gauge tramways in tropical North Queensland, including an update on sugar mill (cane tramway) operations since 1977. Format: B, 128 p.

ASSCT (various). **Index to Proceedings of the Australian Society of Sugar Cane Technologists**. Brisbane?: Australian Society of Sugar Cane Technologists.

Photocopy 1956-1960; 1961-1965; 1966-1970; 1971-1975; 1976-1988. Format: BV,

Attenborough, Peter (2002). **Sarina [in Australian Diesel Scene 5]**. Mantraville NSW: Everleigh Press.

CaneSIG Support for modellers
 of sugar cane railways

<http://www.zelmeroz.com/canesig>

Selected Bibliography: Sugar Cane Resources—Queensland & International

- Rail operations at Sarina Qld: mainline QR, QR's mining branches and Plane Creek Mill's 2' narrow gauge cane lines, plus QR's bulk sugar movements to the Mackay harbour terminal. History and operations, illustrated with maps, photos and a Plane Creek loco roster. Format: V, pp 104-152.
- Aubrey, Ron (1997). **Nambour '97**. Qld: Australian SN Modeller.
Moreton Sugar Mill, Nambour QLD 100th Anniversary with Bundaberg-Fowler #5 from Woodford Museum hauling cane bins, Aug 97. Format: A, 24 min.
- Aubrey, Ron (2001). **Maroochy Harvest, Vol 1**. Nambour: Railscene Products.
Sugar cane harvest operations at Moreton Mill 2001. Format: A PAL, 88 min.
- Aubrey, Ron (2004). **The Last Train**. Nambour: Railscene Products.
Final operating day at Nambour's Moreton Sugar Mill, Dec 2003. Format: A PAL, 10 min.
- Austoft (c 2000). **The Short Sweet Story of Sugar**. Bundaberg, Qld: Media One Australia.
A video version of one of the interactive displays at Fairymead House Museum in Bundaberg. Describes the planting, harvesting, transporting and milling of sugar cane. Format: A, ~12 min.
- Australian Sugar Milling Council (). **Cane Train Safety**. : Australian Sugar Milling Council & Div of Accident Prevention.
Copy of cane railway safety film; restricted circulation. Format: A, 21 min.
- Australian Sugar Museum (c 1978). **Australian Sugar Industry: The Heritage of the Industry, The**. Mourilyan, Qld: Australian Sugar Museum.
Brief history and examination of the sugar industry for museum visitors. Format: B, 34 p..
- Balazategui, Bianka Vidonja (1990). **Gentlemen of the Flashing Blade**. Townsville: Janes Cook Univ (Dept of Hist).
An academic study of post WWII immigrant cane cutters by the daughter of an East European immigrant. Format: B, 128 p..
- Bartholomew, Gail [Bailey, Bren: Photo Research] (1994). **Maui Remembers: A local history**. Honolulu: Mutual Publishing.
Local history of the Island of Maui using text and historical photos. Includes some information on the Hawaiian sugar cane industry (p 42) and island railways (p 79). Format: B, 168 p.
- Baxter, Geoff (nd). **Day's Tractors**. Surrey Hills, VIC: LRRSA.
Short history and description of the Day Rail Tractor as used on Victorian Tramways (and at least one Queensland cane mill railway) post 1925. Drawings of 4 and 6 wheel tractors and two photos. Photocopied. Format: V, pp 6.
- Bird, Isabella L (1998). **Six Months in the Sandwich Islands: Among Hawai'i's palm groves, coral reefs, and volcanoes**. Honolulu, HI: Mutual Publishing.
First published in the 1870s, this is a 'tourist' report on Hawaii of the late 19th century. Includes a visit to a sugar plantation. Format: B, 318 pp.
- Bonnell, Henry F [Lorimer, Janet and Paoa, Robet, Eds] (1997). **Hawaiian Rails of Yesterday**. Ewa Beach, HI: Hawaiian Railway Society.
A re-edited set of articles from the HRS's newsletter in the late 1970s and early 1980s. Includes additional information and historical photos, including some on hauling sugar cane. Format: B, 75 p.
- Briody, Patrick (2003). **Sunshine Sugar: Secrets of Success, The history of the New South Wales Sugar Milling Co-operative Limited**. : NSW Sugar Milling Co-operative Limited.
A 25th anniversary corporate history of the New South Wales Sugar Milling Co-operative Limited (Congdon, Broadwater and Harwood Mills), purchased from CSR in 1978. Some photographs. Limited earlier industry and mill history. Format: B, 132 pp.
- Browning, John (1993). **Cane Tramways and locomotives of the Mirani Shire**. Mirani, Qld: Mirani Shire Council.
Written for the Mirani Shire Council Museum, provides history of the sugar mill tramways (North Eton, Marian, Cattle Creek) within the Mirani Shire and their locomotives. Map, bibliography, 30 photos. Format: B, 15+ p.
- Browning, John (2000). **Australian Sugar Industry Locomotives**. www.lrrsa.org.au/LRR_SGR.htm: LRRSA.
Mill by mill roster of Queensland sugar industry locomotives as they existed in 1999. Downloaded 27 Nov 2002 and printed from the web page. Part 5 of the LRRSA web-based sugar industry notes. Format: V, pp 42.
- Browning, John (Design) (2000/1977). **The Cane Trains Colouring Book**. Woodford, Qld: ANGRMS.
Line drawings of [primarily] locomotives of the Queensland cane fields c 1977. Reprint. Format: B, 12 p.
- Browning, John and Mewes, David (Compilers) (1979). **Australian Sugar Industry Locomotives 1978 -- Current Rosters: Sugar Mills and Bulk Sugar Terminals**. Brisbane: Australian Narrow Gauge Railway Museum Society.
Photocopy (A4 of A5 booklet); Mill cane railway network maps, cane locomotive profile drawings. Unbound in manilla envelope. Format: BV, 56+.
- Burrows, Geoff & Clive Morton (1986). **Cane Cutters, The**. Melbourne, VIC: Melbourne University Press.
Index, notes, a tribute to the cane cutters of Australia starting with the Kanakas. Presents social and technical history. Format: B, 288 p..
- Butler, WE (1980). **Down Among the Sugar Cane: The story of Louisiana sugar plantations and their railroads**. Baton Rouge, Louisiana: Moran Publishing Corp.
Now long out of print, this is one of the few books on Louisiana sugar plantations and their railroads, covering a period of roughly 200 years. A plantation by plantation description with photos of mills, locomotives and rolling stock. Format: B, 267++ pp.
- Byrne, Dianne (1994). **A Travelling Photographer in Colonial Queensland: The work of William Boag**. South Brisbane: State Library of Queensland.

Selected Bibliography: Sugar Cane Resources—Queensland & International

- A selection of 104 images from one of colonial Queensland's premier photographers. Includes early sugar cane plantations and mills, timber harvesting, workers, etc., as well as SE Qld rural communities. Format: B, 118+ pp.
- Case Corporation (2001). **Case IH Sugar Cane Equipment**. St Marys, NSW: Case Corporation.
- Case IH - Austoft sugar cane equipment catalogue. Format: V, 16 pp.
- Cato, Nancy (1974). **Brown Sugar**. UK: Hodder and Stroughton, New English Library.
- Novel set in Queensland in 1860--blackbirding and Kanaka labour in the cane industry. Format: B, 256.
- Chapman, Jean and Cunningham, Walter (illus) (1966). **Sandy the Cane Train**. : Angus and Robertson.
- Photocopy of a children's book of the 1960s showing cane railway equipment and operations. Format: B,
- Chiddix, Jim and Simpson, Mackinnon (2004). **Next Stop Honolulu: Oahu Railway and Land Company 1889-1971**. Honolulu: Sugar Cane Press.
- History of Oahu Railway and Land Company (Hawaii) operations, including sugar cane hauling. An enthusiastically written account and photo/image collection. Loco and car roster, maps, etc. Format: B, 354 pp.
- Colcough, Stephen (Collator) (1996). **Modelling the Railways of Queensland Convention No 2, 1996 [Proceedings]**. Brisbane: MRQC 1996 Committee.
- Clinic notes for the 1996 Convention: 9 clinics [incl cane]. Format: B, np.
- Conde, J C (1971, 1985). **Narrow Gauge in a Kingdom: The Hawaiian Railroad Company, 1878-1897**. USA: Railhead Publications.
- A scholarly history of one Hawaiian railroad before it became a sugar plantation entity, and of S G Wilder, who built nearly 20 miles of this narrow gauge railroad in the north of the Island of Hawaii. Format: B, 96.
- Conde, J C (1975). **Sugar Trains Pictorial**. Felton, CA: Glenwood.
- Photographs of the Hawaiian plantation railroads (sugar cane and pineapple primarily) that didn't fit into the author's previous book, Sugar Trains: Narrow Gauge Railways of Hawaii. Includes a reproduction of the 1914 Gregg Company catalogue of cane cars and related equipment. Format: B, 192 p.
- Conde, J C, with Best, G M (1973). **Sugar Trains: Narrow Gauge Rails of Hawaii**. Felton, CA: Glenwood.
- A comprehensive 80 year story of the hauling of sugar cane by rails to the mills of Hawaii. Location, history and photos, etc., for several dozen lines ranging from 20" to 4' 8.5"; extensive locomotive rosters/photos but little other equipment. Format: B, 400 p.
- Conde', Jesse C (1993). **Fowler Locomotives in the Kingdom of Hawaii**. Peterborough UK: Narrow Gauge Railway Society.
- Special issue of the Narrow Gauge # 140; history of the Fowler Company's involvement in Hawaii, Fowler patent locomotives and an island by island account of their use in the cane fields, etc. Includes drawings and photos. Format: B, 48 p.
- Crellin, I.R. (1979). **Australian Sugar Tramways: The Challenge of the 1980s**. Melbourne: Light Rly Research Assn of Aus.
- The October 1979 issue of Light Railways (# 66). A good review of cane railways at the end of the 1970s. Format: B, 32 p..
- Crow, Lindsay and Sargent, John (Eds) (1999). **Queensland Canefields Steam Era: A photographic profile -- 1955-1980**. Studfield, VIC: Train Hobby Publications.
- THP Mini Series Railway Profile (A South of the Border Publication). Steam locomotive photos and captions from QLD cane railways. Format: B, 48 p.
- Cullen, Enid Joy (2004). **Puffing Billies of the Burnett**. Bundaberg: EJ Cullen.
- Short booklet detailing the various railway branch lines in the Burnett River area of Queensland: Bundaberg Branch Railway, Gin Gin Sugar Mill Tramway, Gibson & Howes Railway, Goondoon to Kalliwa Railway (including Burnett Valley Railway), Invicta Railway, Fairymead Private Railway, etc. Format: B, 48 pp.
- Devanny, Jean [Moore, Nicole, Ed] (2002). **Sugar Heaven**. Carlton North, VIC: Vulgar Press.
- A scholarly reprint of the 1936 novel of Weil's disease strikes in the North Queensland sugar industry. An early industrial work, emphasises the role of the women in the cane cutter's strike and their transformation into active leadership. Includes academic discussion of the worker's contribution to Australian literature and a bibliography. Format: B, 283 pp.
- Dickinson, Rob (pre-2001). **Sweet Dreams: A tribute to the sugar mill railways of Java**. East Bridgford, UK: Images of Rail.
- Narrow gauge railways serving the sugar mills of Java (Indonesia). Photos, captions and some maps. 300+ images, 16 video clips. [Note: WinTel only]. Format: A, CD-ROM.
- Dickinson, Rob (pre-2001). **Zafra: Vintage steam at work in Cuba**. East Bridgford, UK: Images of Rail.
- Cuban sugar mills and their steam locomotives. Photos, captions and some maps from 1980 to 'closing years of the millennium'. 1500 images and 50 maps. [Note: WinTel only]. Format: A, CD-ROM.
- Dickinson, Rob and Yuehong (2008). **Sweet Spot: The story of Olean Sugar Mill in Java**. Beijing, China: International Steam Videos.
- A c 2006 narration-free DVD 'movie-style' presentation showing harvesting, cane transport by rail, and the operation of the Indonesian sugar mill using traditional techniques. Format: A, 60 min.
- Docker, Edward Wybergh (1970). **The Blackbirders: A brutal history of the Kanaka slave-traders**. Sydney: Angus and Robertson.
- Extracts from newspapers, letters, journals, etc., of Kanakas in the cane industry 1860-1904. Format: B, 289.
- Dunn, Ian (2010). **Clydes Among the Cane: Fiji's sugar railway on Viti Levu in the twenty-first century**. Matraville, NSW: Everleigh Press.
- Pictorial presentation of Clyde-built locomotives on the sugar cane railways of Viti Levu, Fiji. Format: B, 60++ pp.
- Dunn, John (2008). **Comeng: A history of Commonwealth Engineering, Vol 2: 1956-1966**. Dural NSW: Rosenberg.

Selected Bibliography: Sugar Cane Resources—Queensland & International

- A4 format hard cover history of Comeng vehicles, including sugar cane locomotives, Budd cars, etc., for Australian and export markets. Format: B, 336 pp.
- Dunn, John (2010). **Comeng: A history of Commonwealth Engineering, Vol 3: 1966-1971**. Dural NSW: Rosenberg.
A4 format hard cover history of Comeng vehicles, including sugar cane locomotives [limited in this time period], trams, suburban and passenger cars, etc., for Australian and export markets. Format: B, 352 pp.
- Dyer, Peter and Peter Hodge (1988). **Cane Train: The Sugar-cane Railways of Fiji**. Wellington, NZ: NZRLS.
Photos, plans, maps and description of the various cane railways in Fiji. Apparently very similar to Queensland cane operations, esp. as equipment moved from one to the other and same ownership. Format: B, 178 p..
- Eakin, James S (comp) (2002). **Critters, Vol 4**. Canton, Ohio: Railhead Publications.
Primarily covers a number of obscure builders of small, non-steam engines, associated cars (dump and smelter cars, cane and plantation cars), track (turntables, switches, crossings, portable track, rails and ties) and industrial railways for highway paving. Overview of builder, scale drawings and catalogue pages. Format: B, np.
- Eatwell, David (1998). **Today's Steam on the Sugar Lines of Cuba: Vol 1**. Calgary AB: British Railway Modellers of North America.
Annotated photos of steam locomotives operating from 31 Cuban sugar mills in the 1990s. Format: B, 50 p.
- Eatwell, David (2001). **Today's Steam on the Sugar Lines of Cuba: Vol 2**. Harrow, England: Continental Railway Circle.
Annotated photos of steam locomotives operating in Cuban sugar mills in the 1990 and 2000. Format: B, 49 p.
- Elliott, John (1991). **Cattle Creek Memoirs**. Ashgrove, Qld: Glenlyon Press.
Commissioned by the Mackay Sugar Cooperative Assoc as a record of the Cattle Creek Mill: 1906-1990-- the final two decades. Format: B, 60 p..
- Fainges, Jim and Dow, Bob (2000). **Modelling the Railways of Queensland Convention No 4, 2000: Convention Notes**. Brisbane: MRQC 2000.
QR railmotors, QR station yard designs, railway bridges of Queensland [incl tramways], rolling stock detailing, small things that count, Queensland's sugar mill tramways [cane], Queensland locomotive development. Format: B, 90 p++.
- Fainges, Jim and Dow, Bob (2002). **Modelling the Railways of Queensland Convention No 5, 2002: Convention Notes**. Brisbane: MRQC 2002.
QR mixed trains, Queensland wagon loads and loading, lineside industries and mixed trains, coal train operation in the Ipswich District 1950s and 1960s, QR colour schemes, colouring and weathering for the QR, painting diesel locomotives, lineside structures, and From Field to Mill: Modelling cane railways. Format: B, 160 p++.
- Flint, EJ (2008). **The Locomotives of Fairymead Sugar Mill: 1882-2004**. : EJ Flint.
Self-published reference for the steam and diesel locomotive fleets of Fairymead Sugar Mill, Bundaberg. Well-illustrated with coverage of every loco, notes, references and index. Format: B, 210pp.
- Ford, Lyall (2007). **A Photographic Record of Colonial Queensland: The work of John Henry Mills**. Freshwater, Qld: Taipan Press.
Over 100 images and captions to provide historical context for this professional photographer, 1851-1919, in partnership with William Boag and then Albert Reckitt. Workers cottages, sugar mill, transport, people and activities, etc., around Queensland. [1st edition 2004]. Format: B, 110 pp.
- Gardiner, Ray (2003). **Indonesian Sugar Plantation Diesels (in Diesels and Electrics: Locomotives International Special Edition No 1)**. St Teath, Cornwall: Locomotives International.
A pictorial look at a number of small diesel locomotives used on Indonesian sugar cane railways. Format: V, pp 22-25.
- Gough, Bob and Webber, Brian (1999). **Queensland Sugar Cane Railways Album**. Yeronga, QLD: Authors.
Colour and B/W photos and captions from the QLD cane railways. Format: B, 48 p.
- Graves, Adrian (1993). **Cane and Labour: The political economy of the Queensland sugar industry, 1862-1906**. Edinburgh: Edinburgh University Press.
An analysis of the economic and social history of indentured Pacific island labour migrants in the Queensland sugar industry, and the rise and fall of the extensive system of plantations with which the labour trade was associated. Format: B, 282 p.
- Gregg Company, The (c1950). **Gregg Cars Recently Built for Railroads in Various Countries**. New York: The Gregg Company.
The Gregg Company, Ltd; Gregg Car Company, Ltd; Societe Gregg d'Europe; builder of railwat cars since 1898. Catalogue of recently built wagons: box, gondolas, flat, tank, hopper, stock (eg Commonwealth Railways), gable bottom, dump, sugar cane (eg Dominican Republic, Cuba, Guatamala, Brazil, Jamacia, Mexico, Puerto Rico, Philippines, BWI, Columbia, Venezuela, Kenya, Antigua, Trinidad), sisal, Granby, mine, fruit & other special purpose, and passenger. Also trucks, wheels and axles, couplers, and other car parts. Format: , 58pp.
- Griggs, Peter D (2011). **Global Industry, Local Innovation: The History of Cane Sugar Production in Australia, 1820-1995**. Bern, Switzerland: Peter Lang.
History of the sugar cane industry in Australia from the early colonial beginnings to the deregulated 20th Century. Includes effects of sugar production on NE coastal Australia -- deforestation, erosion, coral mining, etc. Format: B, 928 pp.
- Gunn, John [comp] (2002). **Sarina Distillery: Celebrating 75 years of ethanol production**. Sarina, Q: CSR Distilleries.
Anniversary brochure for Sarine Distillery, some information on Plane Creek Sugar Mill. Format: V, 12 pp.
- Haack, Warren (Dir) (1992). **Pickering's Sugar Pine Railroad**. Pasadena, CA: Tuolome Films.
Geared locomotive recollections by two brothers who worked on the railroad from 1920 to 1942. VHS. Format: A VHS, 62 min.
- Hall, James & Jill Denning (1988). **Beautiful Sugar Country**. Bathurst, NSW: Robert Brown.

Selected Bibliography: Sugar Cane Resources—Queensland & International

- Tourist oriented booklet with history and photos of 'Bundaberg Country', the cane growing areas of S.E. Queensland. Includes 4 picture postcards. Format: B, n.p..
- Harris, Rhonda (ed) (2009). **100 Years of Memories: 1909-2009 Wallaville State School**. Wallaville, Qld: Wallaville State School Centenary Committee.
Wallaville local school history, with some mention of the sugar mill and cane tramway. Format: B, 172 pp.
- Hennell, Andrew and Hennell, David (2011). **Country Railways of Queensland - 1950s, 1960s and 1970s, Part 1**. Pinewood, VIC: Train Hobby Publications.
Photographic profile: primarily QR (Queensland Railways) but also some shire and cane operations in the post war period through to the end of dieselisation. Format: B, 56+.
- Hislop, Booth, Howlett, Myers [Eds] (1995). **Sweet Settlement: The making of Mackay and the Pioneer Valley 1860-1918**. Rockhampton: Central Queensland University.
A pretty dry and boring history using journals, letters, diaries.; some early railway. [cane]. Format: B, 195 p.
- Horsford, Jim (2004). **From Sugar Cane to Scenic Train: The St Kitts Railway**. St Teath, Cornwall UK: Locomotives International (Paul Catchpole Ltd).
St Kitts Sugar Manufacturing Co and its railway on the Caribbean island of St Christopher (St Kitts): operation, locomotives, rolling stock, and the modern scenic (tourist) railway. Includes maps and photos. Format: B, 64 pp.
- Horsford, Jim (2004). **From the Caribbean to the Atlantic: a brief history of the Barbados Railway**. St Teath, Cornwall UK: Locomotives International (Paul Catchpole Ltd).
History of 3' 6" and 2' 6" rail operations under several ownerships, including government. Railway served sugar plantations and mills (factories) but very little specifics. Includes maps and photos (one showing molasses and sugar for shipment overseas). Format: B, 70 pp.
- Hudson, Alan (2000). **By the Banyan: Tully Sugar, the first 75 years**. Brisbane: Christopher Beck Books.
Story of the development of the Tully Sugar Mill. One chapter on the cane rail (tram) system and a 2000 cane railway map. Format: B, 371 p.
- Hungerford, J B (1962). **Hawaiian Railroads**. Reseda, CA: Hungerford Press.
History of the primarily narrow gauge common carrier railroads in Hawaii from the late 1870s. Includes their related sugar cane carrying activities. Format: B, 80 p.
- Hungerford, Linda (1994). **A Short History of Cane Farming in the Bundaberg Region**. Rockhampton (CQU): CQ Jnl of Regional Development.
Very brief history from the point of view of regional development. Format: V, pp 48-52.
- Hungrywolf, Adolf (1996). **Trains of Cuba: Steam, diesel and electric**. Skookumchuck, BC: Canadian Caboose Press.
A guidebook with photos, maps and rosters; very locomotive oriented. Many cane railways and locomotives but no equipment, etc. See also video Island Time Warp: Trains of Cuba. Format: B, 96.
- Hungrywolf, Adolf (2001). **Central Rafael Freyre: Cuba's Finest Narrow Gauge Railway**. Frome, Somerset, UK: Camden Miniature Steam Services.
Hungrywolf's very personal footage shot on Cuba's Central Rafael Freyre sugar cane railway. Includes mill visit. Format: A, ~160 min.
- Hungrywolf, Adolf (Sep 2000). **Baldwins in the Cane Fields**. Waukesha WI (Kalmbach): Trains.
Author's experiences driving a steam-powered cane train for the Central Rafael Freyre sugar mill in Cuba. Format: V, pp 58-61.
- Hungrywolf, Adolf and Okan (1996). **Island Time Warp: Trains of Cuba**. Skookumchuck, BC: Canadian Caboose Press.
Two hours of vintage American-style railroading in Cuba in the early to mid-1990s. Lots of cane locomotives, some equipment, lots of scene setting. Format: A VHS, 2 hrs.
- Hutchinson, Jim (2004). **Modelling the Railways of Queensland Convention No 6, 2004: Convention Notes**. Brisbane: MRQC 2004.
Railmotor Operations and Modelling, Modern Cane Railways of Queensland, Passenger Train Operations on the Narrower Gauge, Queensland Scenic Effects, Modelling Preserved Railways. Train Lighting and Electronics for the Queensland Modeller, Queensland Railway Stations, and Passenger Trains, Past and Present. Format: B, 158pp.
- Isis District Historical Society Inc [comp] (c 2009). **Remembering Childers**. Childers: Isis District Historical Society Inc.
Photo album of early Isis District pioneers, Childers town, a sugar related (including Isis Mill, Knockroe Mill, Doolbi Mill, and Goodwood Mill. ~70 inkjet-printed images, all undated. Format: B,
- James, RA, and Murry, CR (1979). **"Improvements in Cane Railway Track in Australia" in 3rd International Rail Sleeper Conference**. Brisbane: IRSC: Conference Proceedings.
Brief paper on required changes to cane track maintenance to accommodate new equipment and faster speeds. Format: V, p 1-2.
- James, RA, Kent GA, and McWhinney, W (1991). **"Canefield locomotives--present and future"**. Australia: Proceedings of Australian Society of Sugar Cane Technologists.
Review of current (1991) locomotives used in the cane sugar industry, their mechanical characteristics, braking and efficiency. Format: V, p 237-251.
- James, Robert (1991). **"Resilient fastenings for plantation and industrial light gauge railways" in Track Report: Journal of Pandrol International 1991**. Addlestone, Surrey UK: Pandrol International Ltd.
A description of cane railway track laying practices in Australia using pre-stressed concrete sleepers and metal fasteners. Format: V, p 14-15.
- Japan Railway Technical Service (2005). **World Railways Today**. Tokyo: Japan Railway Technical Service.
Basic railway information country by country in Japanese. Contains some of Ian Dunn's Fiji cane railway photos from CaneSIG but has almost no coverage of Queensland's 610mm sugar cane railways. Format: B, 448+ pp.
- Jehan, David (comp) (2000). **Illawarra Light Railway Museum Society Limited Museum Guide**. Albion Park Rail, NSW: ILRMSL.

Selected Bibliography: Sugar Cane Resources—Queensland & International

- Photos, plans and descriptions of the museum, locomotives and some rolling stock. Includes a variety of cane railway locos. Format: B, 48 p.
- Joyce, John and Allan Tilley (1972). **Steam Up: Indonesia and Thailand**. Wembley, WA: J. & A. Publications.
Pictorial record of a railfan trip to Indonesia and Thailand chasing steam locomotives. Some good 'cane'-type shots. Format: B, n.p..
- Kaminski, Edward S (2000). **The Magor Car Corporation**. Berkeley & Wilton, CA: Signature Press.
History of the Magor Car Corporation of the USA, including export sugar cane wagons. Format: B, 200 pp.
- Kerr, Bill (1995). **Southern Cane Railway, Commemorating the official opening 8 November 1995**. Mackay, QLD: Canegrowers Plane Creek Area.
Subtitled: An important milestone in the development of the Queensland raw sugar industry. CSR-owned Plane Creek mill enters its 100th crushing season with the completion of 44.02 km of new tramway. [cane]. Format: B, 32 p.
- Kerr, Bill (1995). **They're All Half Crazy: 100 years of mechanical cane harvesting**. Brisbane, QLD: Canegrowers.
Traces mechanisation from 1888 to present, includes rare footage of Kanakas cutting cane as well as harvesters. . Format: A, 22 min.
- Kerr, Bill (2009). **Stand Together: The story of cane grower representation at Mackay**. Mackay, QLD: Mackay Canegrowers Ltd.
A history of Canegrowers from its beginnings at Mackay in 1926. Explains why it started at Mackay and its contribution to the cane sugar industry and the region. Includes the role of cane transport, loading cane, the cane tramlines (steam and diesel) and in-field/road haulage. Format: B, 176pp.
- Kerr, Bill, and Blyth, Ken [Comp] (1993). **They're All Half Crazy: 100 years of mechanised cane harvesting**. Brisbane: Canegrowers.
Traces mechanisation from 1888 to present, includes rare footage of Kanakas cutting cane as well as harvesters. Book to accompany video of similar title [cane harvesting]. Format: B, 116 p.
- Kerr, John (1979). **Northern Outpost (Mossman Central Mill)**. Mossman, Qld: Mossman Central Mill Ltd.
History of the Mossman Central sugar mill of North Queensland. Indexed with corrigendum. Format: B, 154 p.
- Kerr, John (1983). **Southern Sugar Saga**. Bundaberg, QLD: Bundaberg Sugar Company Ltd..
Historical account of the sugar industry in Bundaberg on the occasion of the centennial year. Photos, bibliography, notes. Format: B, 160+ p..
- Kerr, John (1987). **Sugar at Maryborough: 120 years of challenge**. Maryborough: The Maryborough Sugar Factory.
A history of the Maryborough Sugar Factory Ltd, includes some photos, incl p74 crushing in 1871, and derrick/gantry loading. Format: B, 252 p.
- Kerr, John (1991). **Top Mill in the Valley: Cattle Creek Sugar Mill, Finch Hatton**. Mackay: Mackay Sugar Co-op Assoc.
The story of the people who made Cattle Creek Sugar Mill a success. Format: B, 120 p..
- Kerr, John (1996). **Only Room for One: A history of sugar in the Isis District**. Isis QLD: Isis Central Sugar Mill.
Centenary publication of the Isis Central Sugar Mill, including cane tram operations. Format: B, 160 p.
- Kerr, John (1997). **Crystal Century: The history of Proserpine's Sugar Mill, its farms and its people**. Proserpine, QLD: Proserpine Co-Operative Sugar Milling Association Ltd.
Cane growing history in Proserpine District. Format: B, 192 p.
- Kestrel Film and Television (Producer) (1999). **As It Happened: The Canecutters**. : Chris Clarke Productions Pty Ltd.
Documentary on Qld canecutters with interviews and commentary; Kanakas, some cane train shots, some mechanical harvesting. Recorded from SBS TV, 1930 hrs 11 Aug 01. Format: A, VHS ~40 min.
- King, NJ, Montgomery, RW & Hughes, CG (1965). **Manual of Cane-Growing (Australian Agriculture and Livestock Series)**. Sydney: Angus and Robertson.
Revised and enlarged edition of 1953 publication. Includes information on varieties and cultivation, harvesting (early mechanical harvesting), etc., as well as pests and diseases. Format: B, 375 pp.
- Kirby, Gary (2005). **Australian Narrow Gauge Convention Sydney 2005, 7th [Proceedings]**. Sydney: Narrow Gauge SIG of the NMRA Australasian Region.
Convention clinic notes; Queensland cane railways, Stannary Hills and Irvinebank Tramways, Underground Mining in Australia and Western Australian Timber Tramways of special interest. Format: B, 189 pp.
- Kirby, Gary [ed] (2001). **Australian Narrow Gauge Convention April 2001, 5th [Proceedings]**. Melbourne: Narrow Gauge Convention Inc.
Convention clinic notes [incl cane]. Format: B, 284 p.
- Knowles, John (2004). **The Mapleton Tramway: The Line of the Diminutive Shay Locomotives**. Brisbane: self.
History of the Mapleton Tramway and related sugar mill, timber operations, etc. Includes maps, photos and equipment drawings. Format: B, 92 pp.
- Krauss, Bob with Alexander, William P (1965). **Grove Farm Plantation: The biography of a Hawaiian sugar plantation**. Palo Alto, CA: Pacific Books.
A very readable history of one of Hawaii's early sugar plantations by the plantation manager from 1937-1952. Reconstructed dialogue makes this account read like fiction but it's obviously based on personal recollections as well as historical research. Some photos but almost nothing of the tramway. Format: B, 400++ pp.
- Langford, Muriel (1979). **Rocky Point and the Heck Family: 100 years of sugar milling in South-East Queensland, Extract from**. Woongoolba: Rocky Point Sugar Mill.
Photocopy of 1 page with 2 photos--hand cutting and loading whole stick cane from the 1950s. [SRI Library]. Format: V, p 50.
- Link, Roy C (1994-). **Industrial Narrow Gauge Handbook: Catalogue and Handbook**. UK: Roy C Link.
Catalogue and Handbook for Link's industrial narrow gauge kits, 7mm scale, 14mm gauge (2 ft): track & turnouts, rolling stock, locomotives, equipment & plant, prototype.

Selected Bibliography: Sugar Cane Resources—Queensland & International

- Current details UK-based but locos also used for cane railways. Format: B, A5 looseleaf.
- Livingstone Shire Council (1999). **South Sea Island Cultural Sites Guide: Sites in Livingstone Shire**. Yeppoon, Qld: Livingstone Shire Council.
