

## CANE COUNTRY DEMANDS REAL IRON

Puma® tractors provide the right size and power for a wide variety of on-farm tasks. With models designed especially for cane haul out, Puma tractors deliver the precise power you need for peak efficiency and fuel economy. Now add in full Power Shift 50km/h transmission, active front axle suspension, hydraulic trailer brakes, and pneumatic trailer brakes, and you've got an agile, easy to operate tractor that keeps up with your demands while keeping you comfortable through long working hours.
