

NEW 8000 SERIES CANE HARVESTERS

Sweeten next season's profits with the new 8000 Series Austoft Cane Harvesters. Offering improved visibility, performance-enhanced hydraulics and upgraded engine-cooling package, you'll also benefit from AFS AccuGuide Ready included as standard that can deliver more accurate harvesting and crop control. With more comfort and productivity than ever before, you'll be glad you put a Case IH in your lineup.
