Dear sir;

As you are undoubtedly aware the 8th, 9th and 10th of November, 1963 are the dates of Calgary's ANNUAL MODEL RAILROAD SHOW, this year entitled: "TRANSPORTATION, PAST & PRESENT". Under this theme we wish to include any exhibit of a transportation nature. I would like to personally and on behalf of the Calgary Model Trainmen's Club to invite you to enter an exhibit in the show on this theme. The nature of the exhibit is limited only by your imagination, resources of skills and interests. I would be pleased to hear from you if you can enter any such display.

In the purely model railroad field we are this year sponsoring a contest for the best sceniced display, diorama etc. The prizes in this field will include subscriptions to the "DISPATCHER", a model magazine, for all entrants, (the only requirement is that the entry MUST BE SCENICED) and memberships in the National Model Railroad Association to the best entries.

Your entry in either area would be greatly appreciated and this show will give you a chance to show off that particular facet of transportation in which you are interested.

The show will be held in the Calgary Allied Arts Center on the dates indicated and the displays will be set up on the 6th and 7th of Nov. I hope that you will be able to enter a display upon this theme and I am looking forward to hearing from you.

Thank you

Yours in Railroading,

A.C. Lynn Zelmer, secretary
